SECTION 2 - REGULATIONS, (CONT'D.)**2.5 Payment Arrangements, (Cont'd.)****2.5.2 Billing and Collection of Charges, (Cont'd.)**

- D.** Billing of the Customer by the Company will begin on the Service Commencement Date, which is the first day following the date on which the Company notifies the Customer that the service or facility is available for use, except that the Service Commencement Date may be postponed by mutual agreement of the parties, or if the service or facility does not conform to standards set forth in this tariff or the Service Order. Billing accrues through and includes the day that the service, circuit, arrangement or component is discontinued.
- E.** If any portion of the payment is not received by the Company, or if any portion of the payment is received by the Company in funds that are not immediately available, thirty (30) days following the invoice date, then a late payment penalty shall be due the Company. Late payment charges may be applied as allowed pursuant to South Carolina Public Service Commission Reg. 103-622.2 which provides that a maximum one and one half percent (1.5%) may be added to any unpaid balance brought forward from the previous billing date to cover the cost of collection and carrying accounts in arrears. Billings for 900 and 900-type charges or non-regulated items are excluded from the balance on which a late charge may be imposed.
- F.** The Customer will be assessed a charge for each check or other payment type submitted by the Customer to the Company that a bank or other financial institution refuses to honor. The charge may equal but not exceed the rate allowed by the S.C. Code Annotated Section 34-11-70.
- G.** If service is disconnected by the Company in accordance with Section 2.6 following and later restored, restoration of service will be subject to all applicable installation charges. Service shall, at the Company's discretion, be restored when all past due amounts are paid or the event giving rise to the discontinuance (if other than nonpayment) is corrected.
- H.** Invoices are available electronically, at no charge, and in paper form at the Customer's discretion. A Paper Invoice Fee of \$2.99 (\$6.00 maximum) per month will apply for paper invoices.

The features in this section are made available on an individual basis or as part of multiple feature packages. All features are provided subject to availability; features may not be available with all classes of service. Transmission levels may not be sufficient in all cases.

6.1.1 Feature Descriptions

Anonymous Call Rejection - Gives the Customer the ability to prevent future calls from specific telephone numbers and can be activated after receipt of an unwanted call or after entering a telephone number from which the calling party does not wish to receive future calls. The screening list holds a maximum of fifteen (15) numbers.

(D)

Call Block (*60) – Automatically rejects calls from a specified list of numbers or from the incoming number.

(D)

(N)

(N)

Call Forwarding - Allows incoming calls forwarded to be forwarded to another line specified by the Customer by dialing a code and the telephone number to which the calls will be forwarded.

Call Forwarding Don't Answer - Automatically routes incoming calls to a predetermined telephone number when the called line does not answer within a pre-specified number of rings.

(N)

Call Forward Busy Line - Automatically routes incoming calls to a predetermined telephone number when the called line is busy.

Call Return (*69) - Automatically redials the last incoming call.

(N)

Call Trace (*57) - Allows a called party to initiate an automatic trace of the last call received. Call Trace is available on a usage basis only.

(T)

Call Waiting / Call Waiting with Caller ID - Allows the Customer engaged in a call to receive a tone signal indicating a second call is waiting, and by operation of the switchhook to place the first call on hold and answer the waiting call. Call Waiting with Caller ID provides Call Waiting service with the display of Caller ID information for the call that is waiting.
